Vintage Red Truck Christmas Minis 2026

Thank you so much for booking your 2026 Vintage Red Truck Christmas Mini Session! I can't wait to capture beautiful holiday memories for your family!

Important Information About Your Session

Please Arrive Early

Mini Sessions run on a **strict schedule**, so please arrive **10–15 minutes before your scheduled session time**. Because multiple families are booked back-to-back, late arrivals will result in less shooting time, and unfortunately I cannot extend your session.

Session Location: 1371 Cinder ln, Kissimmee, FL 34744

DIRECTIONS TO GET THERE:

When you come down the street, you will see a huge salmon-colored house on your right and just after that you will have a black mailbox with the number 1371. Please follow my business signs that says "Marelyn Correa". Turn right (it is a clay road), and keep the RIGHT UNTIL THE END (**ALWAYS FOLLOW MY BUSINESS SIGN**). The gate will be open with client's car parked, and you can park behind the other cars.

LOCATION NOTE:

Please note that sessions take place at a private ranch. There are no restroom facilities available on site, so I kindly recommend planning accordingly before arriving. Thank you so much for understanding and being prepared.

The Matos Ranch is not Marelyn Correa Photography Studio, this means that rules can be quite different. It is important to follow all of their rules and procedures. This is private property and you and your companions must be respectful at all times. The Matos ranch reserves the right of admission.

Keep Little Ones Happy

To help your session run as smoothly as possible:

- **Make sure children have eaten before arriving.**
- **Bring water and small, non-messy snacks if needed.**
- **If your little one normally naps, try to schedule their nap before your session.**
- **Feel free to bring a favorite small toy or comfort item to help keep them happy between photos.**

A happy, well-rested child makes all the difference!

Weather

These sessions are held outdoors.

If weather conditions become unsafe due to heavy rain or severe weather, I will contact you regarding a reschedule or alternate plan. Cloudy skies are absolutely beautiful for photography, so sessions will continue unless conditions are unsafe.

Pets

Pets are welcome! Dogs must remain on a leash at all times and should be supervised by a family member whenever they are not being photographed.

Payment:

- To ensure a smooth and timely experience, the **remaining balance must be paid in full** before your session.
- You will receive your invoice **the same day as your session** (early in the morning), and the **payment must be completed before arriving at the studio**.
- **Payments** can only be made through the invoice.

What to Wear to Your Christmas 2026 Photo Session

Here are some wardrobe tips to help you look stylish:

Basics: Wear colors that flatter your skin and hair. Also, choose colors that coordinate with your family, but avoid being too matchy.

Colors: Consider the setup when choosing your colors. A good trick is to think about the tones in the background and ensure your clothing complements them.

Body Type: Dress for your body type. Flowy yet fitted fabrics look fantastic on everyone. Don't be afraid to accentuate your shape it works for men too! When buying outfits for children, always choose clothes that fit them now, rather than something they will grow into. Confidence comes from wearing clothes that fit well and make you feel great!

Shoes: **Please wear shoes at all times during your session.** Since our Christmas setup is located on a farm, there may be ants, insects, and uneven ground. For everyone's comfort and safety, we kindly ask that children and adults keep their shoes on throughout the session.

Style Tip: For the best look, we recommend festive boots, cowboy boots, sneakers, or neutral-colored shoes that complement your outfits.

Comfort: Feeling Comfort is key! Choose outfits that make you and your family feel comfortable, confident, and ready to enjoy the Christmas season. Cozy sweaters, soft layers, flowy dresses, jeans, boots, and festive accessories all look beautiful against our vintage red truck and outdoor Christmas setting.

Stylish: Dress a little extra special! I personally love jeggings and sweaters—they're comfortable. But if I'm spending time, energy, and money on a photo session for my family, I want to make sure everyone looks

their best. Think about what makes your family stand out, from clothing to accessories like jewelry and shoes, and make sure everything is well-coordinated.

Use Pinterest, this is an amazing tool that I use every single day to find ideas for my setups. Below are a few color palettes I found on Pinterest for inspiration.
