Maternity Welcome Guide

Hi beautiful mama-to-be,
I'm so happy you've decided to book your maternity session with me!
This special time in your life deserves to be captured with love, care, and creativity—and I can't wait to help you celebrate it.

This guide will walk you through everything you need to know before your session: what to wear, how to prepare, and what to expect when you arrive at the studio. Let's make this a joyful, relaxed, and empowering experience!

What to Wear – For Mom

What you wear during your session will have a big impact on how you *feel*—and how your photos turn out. I want you to feel confident, radiant, and celebrated.

Here are some wardrobe tips:

- **Choose outfits that flatter your beautiful form.** Think fitted dresses, flowing gowns, or cozy sweaters over snug tops.
- **Studio sessions include up to 3 outfit changes.**
- I have a curated selection of stunning maternity gowns available in various sizes—you'll find them listed by number in the next pages.
  👉 ***Please let me know your selections ahead of time so I can have everything ready for you.***
- **Important:** Don't forget to bring **white and nude underwear and bra**—they're essential to get the best look with our wardrobe options.

What to Wear – For Family

If your partner or children will be joining you, here's how to keep the look clean and timeless:

- Stick to **neutral tones** like white, beige, or soft pastels
- Choose **solid colors**, and avoid logos, bold patterns, or shiny fabrics
- Make sure outfits feel cohesive in style
- Neutral shoes are best or we can go barefoot for a more natural look

📸 *Family portraits will be done in one setup only.*
Remember, this session is all about celebrating YOU. The family add-on is a beautiful bonus, but you are the star of the day!

A Little Loving Advice

To make the most of your maternity session:

- Treat yourself to a little pampering!
  Get your hair, nails, and makeup done professionally if you'd like it makes a big difference in how you feel on camera.
  (*Hair and makeup services are NOT included in your session package.*)
- Take time to relax. This is your moment.
  The most beautiful portraits happen when you're calm, confident, and feeling like the amazing mama you are.

Let's make this a day to remember fun, stress-free, and filled with joy.

Session Location

All maternity sessions take place in my cozy home studio:
